

Hardy & Jensen Inc,

We would like to tell you how happy we are with the new windows that were installed on Monday.

The installers were professional, prompt and courteous. The workmanship of the windows is, of course, top quality and the sheet metal work around the windows is nicely done.

We are glad that Hardy & Jensen displayed their product at the Home Show so that we could meet Andrew Hardy. He is an excellent salesman. His explanation and demonstration impressed and sold us.

The windows are exactly what we wanted and our house needed.

Thank you,
Robert & Peggy Hantschel
